Issue 3 – Term 4 – Week 3

Thursday, 28 October 2010

Dear Parents,

Last Friday we participated in the English KLA Day. The children thoroughly enjoyed the day and had some great learning opportunities. Em took part in a Manga writing session and Brendan enjoyed digital story telling. The stage 2 students had Milton Taylor, a world renowned bush poet, entertain them and then they wrote poetry. The infants were broken up into groups and participated in different English activities. This was a great day and we would like to thank everyone who made it so successful.

Em and Brendan headed off for camp on Sunday morning. Along with 28 other very excited students they travelled by coach to Brooklyn where they would catch the ferry to Broken Bay for a weeks intensive activity.

Playgroup will be on this Friday and Active After School Sport will be on again next week.

Helpers will be needed to man a stall at the Carcoar Show on Saturday 30th October. If you can help and haven't done so yet contact **Teresa or Kirsty**.

Next Tuesday the Infants will be off on their excursion to the honey factory and the Pizza Hut. The highlight seems to be the making and eating of pizza. The children will come to school as

normal (**please be here by 9am**) and they must bring morning tea.

On Thursday Em and Brendan will be at Blayney High for the Small Schools Transition to High School Day.

The first Kinder Orientation session will be next Friday 5th November from 9am – 11.30am.

Blayney High P&C are inviting all Heritage Schools to participate in their Cookie Dough Fundraiser. The Stage 3 children that attended the KLA day have already received a brochure and there is one available here at school for those interested in supporting the fundraiser. I have also attached an order form to the newsletter and orders and money need to be back to school by **Friday 5th November**.

Chris Smith & Staff
