Issue 8 – Term 3 – Week 8

Thursday, 8 September, 2011

Dear Parents

School will be open as normal tomorrow.

A big thank you to Maree Macdonald for organising the Fathers Day stall last Friday. It was a great success and the children were very pleased with their purchases.

Only two more days of swimming school. There has been great improvement in the children's swimming ability and it is a shame that we have had so much sickness during the two weeks of the school.

The footy Tippings are now finished and congratulations go to Jack Anderson, Ian Smith and Bailey Holland, our winners. They were closely followed by Fred Simmons, Teoni Monagle and Mac and Zali Gray. I hope everyone enjoyed the competition and look forward to joining in again next year.

World Heart Day was created in 2000 to inform people around the globe that heart disease and stroke are the world's leading cause of death, claiming 17.1 million lives each year. Together with its members, the World Heart Federation spreads the news that at least 80% of premature deaths from heart disease and stroke could be avoided if the main risk factors, tobacco, unhealthy diet and physical inactivity, are controlled.

World Heart Day will take place on 29th September each year but we will celebrate on the 23rd September and everyone is invited to wear red to the Gala

Sport Day and donate a gold coin. The money raised will then be donated to the Heart Foundation.

There will be Active After School Sport next Wednesday and Playgroup next Friday.

Don't forget to keep those mobile phones rolling in!!

Chris Smith and Staff
