Issue 4 – Term 4 – Week 4

Friday, 2 November 2012

Dear Parents

A big welcome to Henry Bright who had his first Kindergarten Transition Day today! We look forward to having Henry join us over the rest of the term.

Today we had Helen Gray visit to do mosaics with the children. They made stepping stones to be used in the playground. The children were very excited and extremely pleased with the

finished product.

We will be doing Devonshire Teas in the hall on Sunday for the Carcoar Cup. Thank you to those people that have already indicated that they can help. If you can help we will be starting at 10.30 so come along when you can.

Next Tuesday we will be hosting and catering for the Molong/Orange/Blayney Principals meeting. The children will play a recorder piece and Travis will be doing the welcome. The Principals will also be touring the Toy Museum, Courthouse and the War Museum.

Next Wednesday, Don Kay, the Year 7 advisor for 2013 at Blayney High will come to see the Year 6 students. They will also have a Transition day on 29th November.

Playgroup will be on next Friday from 9-11.30. All welcome!!!

Chris Smith & Staff
