

FRIDAY LUNCHES

Don't forget, every Friday the P&C now have lunches available to order.

Order forms are sent home every Wednesday and need to be returned to school by Thursday.

A BIG THANKYOU to Ranee, Kendal and helpers who come in every Friday to prepare lunches and make this happen. Our students (and staff) LOVE lunch order day!

NAIDOC DAY

Next Friday, 06th July is NAIDOC Day. The P&C will be catering morning tea for staff and a BBQ lunch for staff and students. If you are available to help please let us know. This will be a fantastic day at our school, celebrating NAIDOC Day with all our Heritage Schools.

Carcoar Public School & Community News

Wednesday 27th June

FROM THE PRINCIPAL...

It's hard to believe that we are already in week 9 and almost half way through the school year. It has been busy term with new learning for all involved at our school. The children have embraced the 7 Steps of Writing program and enjoyed creating 'sizzling starts' and learning some of the techniques that 'real' authors use to capture reader interest. The staff have continued to grow professionally, our grounds are beautifully maintained and our P&C support is outstanding. Thank You to each and every one of you for not only making this beautiful school a lovely place to work each day but a strong, supportive learning environment for our students.

Student reports will be sent home next week and early term 3 we will provide the opportunity for parent/teacher interviews and discussion surrounding your child's learning goals. This will enable each child here at Carcoar to have individual learning plans that are centred around individual needs including socially and academically.

It is with great pleasure that we welcome our 2 new families here at Carcoar, this has created much excitement amongst the children and it has been lovely to watch our students develop new friendships and learning buddies.

Enjoy the last part of the term with our finale of NAIDOC day celebrations here at Carcoar with the Heritage schools.

Regards

Diana Frost

VILLAGE GROCER

We would like to add a special mention our local coffee shop 'The Village Grocer'. We seem to have very quickly become regulars and why wouldn't we? They have great coffee, food and friendly faces! We count down to the end of the week to grab our coffee fix!

HISTORY ASSIGNMENTS

All students have completed their oral presentation for History. Our K, 1, 2 students have learnt about how times have changed from a family or community member and our older students learnt about Australian Colonies and worked on their public speaking skills. A big thankyou to our families for getting involved in this task and helping their children with learning. It is wonderful to see the collaboration between school and families.
