Term 3 | Week 4 | Friday 12 August 2022

## EDUCATION WEEK EDITION

Education Week is an annual celebration of NSW public education and the achievements of our schools, students, and education system.

This year Education Week was held from 1 to 5 August 2022. This year's theme was 'creating futures – education changes lives' and celebrated the quality education we provide and the opportunities available to everyone in NSW public education.

Education Week is our chance to celebrate the achievements of your school, students or learning community.

# Monday | Swimming

This term we have continued with our weekly swimming lessons. Swimming is a lifelong skill to learn especially for our families who live so close to rivers, dams, and farming properties.

We love our weekly lessons with our expert instructors who give 110% each week to teach this vital skill. A special thanks to our P&C for funding our transport and Sporting Schools Australia for the funding of lessons.

**Creating Futures, Creating Lifelong Swimmers**

# Tuesday | Leaders Lunch

It was an absolute pleasure to be involved in our Annual Leaders Lunch, following a two-year break.

We had the honour of listening to our guest speaker, Kiara Blattman who spoke about her love of Martial Arts and her determination and commitment to having a positive mindset. We also welcomed Mr Mark Snow, Relieving Director, Educational Leadership who spoke to our students about always trying their best and sharing his love of Martial Arts.

**A fabulous opportunity to showcase public education, small school collaboration and building future leaders.**

# Wednesday | Dress Up

On Wednesday we celebrated day 3 of Education Week by dressing up! We are all wearing an outfit that depicts what we want to be in the future, and for our staff, what they dreamed to be when they were at primary school.

Hairdressers, doctors, skateboarders, princesses, builders, shearers, scientists, ballerinas, police officers, models, animal keepers, teachers, gymnastics instructors, actors, equestrians and more.

**We are full of big dreams at Carcoar Public, and we ensure our students know we are here to support them in their lifelong learning journey to allow them to be the best they can be!**

# Thursday | Family Day

On Thursday, we invited our families into our school to join in on our learning, a BBQ lunch, a uniform meeting and a P&C meeting.

Mr Bullock made a presentation around our Reading and Mathematics fluency focus this term for our families. Our families then took part in timing students, listening to them read, and watching their quick maths skills unfold.

We are so thankful to the families that could make it and celebrate our achievements with us.

**It is so important to us that we surround ourselves with a strong community that supports our students and school. We are so lucky.**

# Friday | Appreciation

To celebrate the last day of Education Week, our School Captain, Amity-Lea wanted to share the love and appreciation of support we receive from our families and community.

Amity bagged up a delicious treat, added a heartfelt note and took these down to our local businesses in the Main Street.

**Thank you, Amity for leading our school with appreciation and dedication. We are so proud of you and your kind nature.**

# From the Principal

What a fabulous week we had celebrating Education Week 2022!

It is truly one of my favourite celebrations throughout the year to showcase our amazing students, staff and our community. Across the week we had many amazing opportunities for all.

I hope you had the opportunity to stop in the main street in Blayney, at Kennedy Real Estate to see our Education Week Display. Special thanks to Mitchell Bestwick for allowing us to take over the window for the week and showcase all the wonderful things we do as not only a school, but part of the Heritage Small Schools.

I would like to thank our students, staff, families, and community for your constant support of our beautiful little school. I am so proud of our school, our achievement so far this year and the wonderful community connections we have.
